

CLAIMS OF ABUSE

1. Lenzo is suffocating child by placing hand over nose and mouth until child can't breathe, then removes hand. When daughter says, "why did you do that dad", he replies, "do what?" Then he suffocates, again, and again.
2. Lenzo is pulling Daughters hair.
3. Lenzo has put cigarettes out on daughters hand.
4. Lenzo is telling daughter to touch/juggle/walk on hot coals.
5. Lenzo is saying things to daughter that cause her to tell Christi, "I am protecting you from Dad."
6. Lenzo is fighting with daughter and creating noise disturbances which has caused neighbors to inquire about safety.
7. Child shows up at Grandparents with a slightly visible black eye, covered in lice (witnessed by several people) and rashes during Christmas visit and New Years visit (partial black eye on New Year visit only).
8. Lenzo has 3 alleged felony records vacated/expunged through plea deals. He's rumored to be an informant - causing fear for Christi and Grandparents. Lenzo obtained a gun and posted it on Facebook which causes more concern for Mother since she previously had a restrainer order against Lenzo for fear of her life. Childs Grandparents also have concerns because of threats by Lenzo, and because Lenzo trespassed on their property several times requiring police involvement.
9. Child attempts to show Grandfather her "pee pee" while playing during recent visit, causing deep concern.
10. Child is claiming that Lenzo punched her in the nose and she clams up and won't say anything other than, "I'm protecting you, Momma."
11. Child tells Mother, "I hope you don't get shot. I will protect you."
12. Daughter is saying that Lenzo is telling her that he will hurt her family if she tells anyone.
