AFFIDAVIT OF BRETT MILLER
IN SUPPORT OF EX-PARTE
MOTION TO MODIFY MEDICAL
DECISION AUTHORITY
PROVISIONS OF PARENTING
PLAN

State of Oregon)
) ss.
County of Multnomah)

I, Respondent, being first duly sworn, say that the following is true.

1. The name, age and birth date of the child involved in this case is [REDACTED]

[REDACTED] age 5, date of birth redacted pursuant to UTCR 2.130.

2. I want to change the medical decision making authority portion of the custody provision of the parenting plan because of substantial changes in circumstances since the last custody order. **This change concerns my child's medical treatment, and her lifelong health and it is very serious.** In at least four major and significant categories of [REDACTED] medical needs the

1 child's mother has not met her needs which are urgent and significant and affect [REDACTED] long
2 term health and well being. These categories are: VISION; DENTAL; VACCINATIONS; and
3 INFORMATION TO MEDICAL PROVIDERS. Furthermore the mother has not acted pursuant
4 to the instructions of the Judge who entered the decree of dissolution and original award of
5 medical decision making authority to the Petitioner Mother in that he specifically lectured her
6 concerning the need for vaccinations. The mother has not acted so that my child has had her
7 vaccinations. She refused to allow my child's regular doctor to administer those vaccinations.
8 This is in spite of the Court's admonition to her to follow the vaccination recommendations.
