Chris,

All are being paid in full today. I need to go to the doctor today and may need another Surgery. I will let you know so we can make plans to get together. It may have to wait a few weeks.

Thanks-

Subject: **Tax Bills**

Hi Mike,

I received bills from the IRS for tax years 2003, 2002, 2001, and 2000. Will you pay these as they come in, or do you want to set up a payment plan? If a monthly payment, you will need to provide a complete financial statement, including all accounts, assets, etc. of both you and Victoria.

Regards,
